

District Clerk

Rebecca Eubank

Rebecca Eubank is a lifelong public servant with more than 12 years of experience in law enforcement and judicial administration. She currently serves as Assistant Court Administrator for McLennan County, where she oversees daily court operations, case management, and compliance with state law. Her work ensures that the courts run efficiently, transparently, and with respect for taxpayers and victims alike.

Before moving into court administration, Rebecca served in criminal investigations, rising to the rank of Sergeant. In that role, she supervised investigators, worked closely with prosecutors, and handled complex felony cases. This firsthand experience gives her a deep understanding of how critical the District Clerk's office is to public safety, victims' rights, and the constitutional process.

Rebecca believes the District Clerk's office should be efficient, accountable, and service-oriented. She is committed to safeguarding court records, supporting law enforcement and prosecutors, ensuring timely access for attorneys and the public, and being a responsible steward of taxpayer dollars.

A strong supporter of law and order, conservative values, and limited government, Rebecca believes experience matters. She is running to bring proven leadership, professionalism, and integrity to the District Clerk's office.

Rebecca is a proud Texan, a mother, a wife, and a committed member of her community. She is honored to seek the support of Republican voters and looks forward to continuing her service to McLennan County.

Connley Litton

I am Connley Litton, a Republican candidate for McLennan County District Clerk. For the past six years, I have served as your Chief Deputy District Clerk, managing daily operations for one of the busiest offices in the courthouse.

I have over 25 years of experience in Information Technology. This tech background gives me unique skills needed to lead this office into the future. I know how to use modern tools to make what we do faster and simpler. I've overseen budgets and complex records while working closely with judges, court staff, attorneys, and law enforcement. By modernizing outdated processes and maintaining secure and accurate records, I've ensured our justice system remains efficient and reliable. I've also prioritized building strong relationships with the folks in offices around the county to make sure our office serves in the best possible way.

I believe that for a job this important, experience is the best qualification, and I'm the only candidate with that. No transition is the best transition.
